

**INTEGRATED STUDIES IN EDUCATION  
Mathematics Education Position  
Assistant Professor (tenure track)**

**EDUCATION**

**McGill University. Mathematics Education.** The Department of Integrated Studies in Education, McGill University, invites applications for a tenure-track position in the area of Mathematics Education, at the Assistant Professor rank, effective **1 September 2012**. Applicants must have a doctoral qualification with a focus on Mathematics Education and an active program of research in an area related to teaching and learning school mathematics. The successful candidate will be part of a growing team in science and mathematics education in the Department and will be involved in research, curriculum development, and professional development activities for educators at the local, provincial, national and international levels. Experience in schools (elementary or secondary level), as well as an ability to function in French, will be important assets. Responsibilities will include teaching and student-teacher supervision in our BEd programs, and teaching and thesis supervision in our MA and PhD programs.

McGill University is Canada's leading research-intensive university with students from over 140 countries. The university is located in Montreal, a vibrant cosmopolitan city with great cultural and linguistic diversity. The Faculty of Education offers a diverse group of colleagues conducting internationally recognised research and preparing highly talented students for successful careers as educators and educational researchers.

In accordance with Canadian immigration requirements, all qualified candidates are encouraged to apply; however, Canadians and permanent residents of Canada will be given priority. McGill University is committed to equity in employment and diversity. We welcome applications from indigenous peoples, visible minorities, ethnic minorities, persons with disabilities, women, persons of minority sexual orientations and gender identities and others who may contribute to further diversification.

A letter of application, accompanied by your curriculum vitae and the names of three (3) referees, should be sent via email to Ms. Allyson Noftall, Assistant to the Dean, Faculty of Education, McGill University at [Allyson.Noftall@mcgill.ca](mailto:Allyson.Noftall@mcgill.ca).

Review of applications will commence 15 January 2012
